

PRO₂

ProO2 proudly presents OMEGA, a cutting-edge 50LPM oxygen concentrator designed to redefine industrial oxygen solutions. Engineered with precision and innovation, OMEGA is tailored for diverse applications in the industrial realm.

Model 2335
230V / 60Hz
3600 Watts

High Oxygen Output

Produces 50 liters per minute for efficient oxygen supply

Built-in Redundancy

Individual systems ensure continuous operation

Easy Maintenance

Commonly available parts for lower cost and easier sourcing

Reliable Design

Rust-proof enclosure, with separate housings for critical electronics, make it ideal for outdoor use

Easy Mobility

Equipped with built-in feet for effortless movement with pallet jacks or forklifts

Specifications

Average Oxygen Content	90% (+/- 3%) at 50 LPM
Liter Flow	50 LPM
Outlet Pressure	15-20 Psig
Weight	430 lbs / 195 kg
Dimensions	37"W x 36.5"D x 37"H 940 x 927 x 940 mm
